

The California Space Grant Consortium & NASA Opportunity For Community College Partnerships

Proposals Due: January 6, 2017
Period of Performance: Feb 1- August 31, 2017

The California Space Grant Consortium with the sponsorship of NASA Office of Education is seeking California Community Colleges to reach new heights. We are looking for 10 California Colleges with enthusiastic faculty and students who want to participate in this exciting opportunity. Each funded proposal is expected to increase the understanding, assessment, development and utilization of space and aeronautics resources.

EACH AWARDED CAMPUS WILL RECEIVE:

1. Up to \$500/student for Arduino kits
2. Up to \$500/student team for hardware
3. Up to \$6000 for student scholarships
4. Up to \$500/faculty mentors
5. One day field trip to closest CA NASA Center (JPL, Ames, or Armstrong)

ELIGIBILITY:

1. Existing STEM Degree programs
2. Student Diversity
3. Support from Department Chair and Administration
4. Enthusiastic STEM based faculty mentors
