

Fellowship/Scholarship Data

Project Information

Please fill out only one Fellowship/Scholarship project form for your campus (if you have more than one Fellowship/Scholarship project, please summarize the information and include in this one form).

This is a sample form for viewing purposes only.
For entering your data you must use the SurveyMonkey tool.

* 1. Institution Name:

* 2. Title of Project:

3. List Any Non-Affiliate Organizations Participating in This Project:

* 4. Brief Description of Project:

* 5. Competitiveness: Describe how Fellowship and Scholarships are competitively awarded. Include discussion of recruitment of applicants and selection of awardees.

* 6. Project Contact Person (Name & Email Address)

* 7. This project provides support for the following (mark all that apply)

On-Site University Research or Design Experience

On-Site NASA Center Experience

On-Site Industry Experience

University-Based Research or Design Experience

Faculty Mentor

Other (please specify)

Participant Data

Fellowship/Scholarship Data

* 8. How Many Direct Participants were reached via this activity?

Direct participants are individuals that are direct beneficiaries of the activity (i.e. participants and/or attendees that may have registered for the activity).

Pre-Service Teachers	<input type="text"/>
Higher Education Faculty	<input type="text"/>
Undergraduate	<input type="text"/>
Graduate	<input type="text"/>
Post Doctoral	<input type="text"/>
Community College	<input type="text"/>

* 9. How Many Indirect Participants were reached via this activity?

Indirect participants are individuals that indirectly benefit from the activity and/or can only be estimated (i.e. students that participate in revised courses that were developed Space Grant or matching funds).

Pre-Service Teachers	<input type="text"/>
Higher Education Faculty	<input type="text"/>
Undergraduate	<input type="text"/>
Graduate	<input type="text"/>
Post Doctoral	<input type="text"/>
Community College	<input type="text"/>

* 10. Direct FUNDED Student Information. Refers to the Direct Student Participants recorded in Question 8, above, who received monetary support (regardless of the amount).

This should be a subset of the total Direct Student Participants recorded in Question 8. Direct Funded Student Participants do not include recipients of reimbursements (i.e. travel, supplies, etc.):

# Students	<input type="text"/>
# Female Students	<input type="text"/>
# Male Students	<input type="text"/>
# Underrepresented Minority Students*	<input type="text"/>
# Undergrad Students	<input type="text"/>
# Graduate Students	<input type="text"/>

Fellowship/Scholarship Data

*Underrepresented populations in STEM are defined as Blacks, Hispanics, Native Americans, Pacific Islanders.

* 11. Direct SIGNIFICANT INVESTMENT. Please enter the total number of Direct Student Participants (Funded OR Unfunded) who received a SIGNIFICANT INVESTMENT:

A "SIGNIFICANT INVESTMENT" is defined as:

--Involvement totaling 160 hours and above OR

--Award of \$5,000 and above OR

--Through a cost benefit analysis proves to have significant impact on the student's academic achievement or employment.

This is a SUBSET of Direct Student Participants, recorded in Question 8. If none, please enter "0".

* 12. For all Direct FUNDED Students OR Students for whom there was a SIGNIFICANT INVESTMENT please list student names below AND have the students fill out our awardee form at:

https://www.surveymonkey.com/s/Awardee_Form

This information is very important; we will cross-check this list against the students that fill out the online awardee form.

If there were no Direct FUNDED Students OR Students for whom there was a SIGNIFICANT INVESTMENT please enter "N/A".

* 13. Direct UNFUNDED Student Information. Refers to the Direct Student Participants recorded in Question 8 who DID NOT receive funds.:

Students

Female Students

Male Students

Underrepresented Minority Students*

Undergrad Students

Graduate Students

Fellowship/Scholarship Data

* 14. Please provide at least one anecdotal single point of success in terms of this fellowship/scholarship. Examples:

- Student success
- Faculty/research support access
- NASA-related mission-based R&D success

* 15. Evaluation: How does this activity contribute to meeting the objectives of Space Grant? California Space Grant objectives for Fellowships/Scholarships include:

- Competitively awarding Fellowships/Scholarships
- Fellowships/Scholarships reflect the diversity of the State of California
- At least 90% of Fellowship/Scholarship recipients receiving a "significant" award (\$5K and above; or 160 hours and above) will be employed in STEM or pursuing advanced STEM degrees.

* 16. Evaluation: What metrics or measures are documented (captured) through the evaluation process, to determine the effectiveness of the activity?

Fellowship/Scholarship Source of Funding

Fellowship/Scholarship Data

* 17. Fellowship/Scholarship Sources of Funding (please estimate)

(Please enter "0" where applicable.)

California Space Grant	<input type="text"/>
Lead Institution (UC San Diego)	<input type="text"/>
Academic Affiliates (Your Institution)	<input type="text"/>
State/Local Government	<input type="text"/>
Industry	<input type="text"/>
Other Non-Federal	<input type="text"/>

If you have any REFERENCE DOCUMENTS related to this project to share with NASA in our report (for example, publicity about your activity, procedures, etc.), please email them to Tehseen Lazzouni at tlazzouni@ucsd.edu.

18. Form complete?

This form is complete and ready to submit to the California Space Grant Consortium.
